Public Comment: *During the public comment period, speakers may address matters listed or not listed on the agenda if those matters are within the jurisdiction and control of Elk Point Sanitation District – limited to three minutes per speaker. However, responses from the Board to unlisted topics could become deliberation on a matter without notice to the public. On the advice of legal counsel, the board may choose not to respond except to correct factual inaccuracies, ask clarifying questions, or to ask that a matter be listed on a future agenda. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Public comment will be taken on any item on this agenda on which action may be taken, before action is taken on the item.*

Action may be taken on any agenda item unless noted “for discussion only.” Items on the agenda may be taken out of order. Two or more agenda items may be combined for consideration. An item may be removed from the agenda or discussion relating to an item may be delayed at any time. No action may be taken on a matter raised under public comment unless the item has been specifically included on the agenda as an item upon which action may be taken.
